

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

25 August 1983

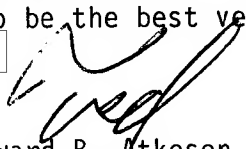

NOTE FOR: C/NIC

FROM : MG Atkeson
NIO/GPF

SUBJECT : Replacement [redacted]

[redacted] will be leaving the NIC at the end of September to take the position [redacted] in the Office of European Analysis. I have attached, for your signature, a memorandum to selected NFIB Principals and the DDI soliciting nominations for his replacement. [redacted]

It is my intention to seek a qualified replacement from SOVA, and I will be discussing possible candidates with [redacted] SOVA traditionally has provided at least one of the A/NIO's, and I believe we have benefited greatly from a SOVA presence in the office. Nonetheless, since the NIC is a community organization, I believe we should provide the other agencies an opportunity to present candidates as well. The attached memorandum appears to be the best vehicle for making that offer. [redacted]
